REORGANIZATION OF TWO PARTIES

Meetings Yesterday of the Republican and Democratic County Committees.

The county political party committee throughout the state were re-organized yesterday.

The meeting of the republican central committee held at 3 p. m. at the

state headquarters 201 and 202 Flennick block. Col. C. W. Johnstone was elected temporary chairman and Celora M. Stoddard, temporary secretary.

The following permanent organization was effected: Charles E. Arnold, chairman; J. E. Nelson, secretary and Earl S. Curtis, treasurer.

Paul R. Ingles, C. M. Sturgis, Hugh Dagg, J. C. Adams, Celora M. Stoddard, Fred Bassler, Bert Wingar, J. C. Sexton, R. L. Moller and W. J. Osborn were elected members of the state central committee for the county. The meeting was adjourned until Thursday, October 3rd.

Rather more interest had been felt in the reorganization of the democratic committee of this county it having been understood that an effort would be made by the extreme radical wing to obtain control of it. But to outsiders that seemed hopeless and if there had been serious contemplation of such a move it was abandoned for the conservatives or anti-administration element was found to be in control at the close of the proceedings.

Waiter Bravner was re-elected chairman; Frank De Souza, secretary and Guy Alsap, treasurer. The members of the state committee from this

county are Sam F. Webb, J. H. Tracey, J. A. Murphy, J. E. McLain, Wallace McDonald, Daniel P. Jones, George J. Hines, J. T. Murphy, W. T. Smith, S. J. Michelson, Dr. H. A. Hughes and I. F. Wolpe.

Leon S. Jacobs was elected assistant secretary of the county committee and was placed again in charge of the headquarters, whence will be distributed religious and moral literature whereby it is expected that men will be uplifted.

ANGELENOS DUE HERE NEXT WEEK

Saintly City Boosters Going All Over

Arizona in Special Train.

The Los Angeles excursion to the Phoenix fair is to leave that saintly city on the twenty-seventh of October. Direct to Douglas is the first lap and from there the boosters hurry through Bisbee and Tucson, arriving at the latter point Monday afternoon. Tuesday morning early the train will

pull into Phoenix and the Los Angeles contingent will be prepared to pass the day of their lives as the guests of the local board of trade and business men. All sorts of entertainments are being planned for the Los Angeles men. Not any of the program has been divulged, but knowing the ingenuity of Harry Welch, the average man can predict that it will be a hummer. The fair grounds will be the exclusive property of the coast town visitors. All the city will stand at their command, ready to back up the promises of the glad hand with actual hospitality. The fund of business men for all the fair attractions is coming along nicely.

This sum will include the entertainment appropriation, part of which will be spent in showing the Los Angeles excursionists the best time the city affords.

Their enjoyment does not stop at seeing Phoenix. From the capital they go directly to the Grand Canyon, where the beauties of nature's most gigantic set of scenery will be viewed for the first time by most of the party. Prescott will entertain them on the way for a short time, so by the time they have left the shores of Arizona, they will have reason to think the newest state is trying to do the right thing by its guests.
